# Partner with VisionServe Alliance

Dear Corporate Partners,

We offer you the opportunity to partner with us at our upcoming Leadership Conference in Kansas City, Missouri, April 14 – 17, 2024. Along with the conference, we will have additional events in 2024 to showcase your company at virtual events and a Leadership Seminar being planned for this fall. This Sponsor and Exhibitor Prospectus has details on the conference – offering professional development, networking opportunities and inspiration to an expected attendance of 200+ of our member leaders and their executive team leaders. Here are some reasons why you should be a Sponsor:

## **VALUABLE YEAR-ROUND ACCESS TO THE DECISION MAKERS**

Your sponsorship packages include a year-round advertising package to keep your company in front of your target audience especially the decision makers – the executive staff - giving you additional engagement opportunities throughout 2024 to interact and connect with potential customers.

## **EFFECTIVE LEAD GENERATION**

We give you access to attendee list and profiles for easy follow-up with company representatives. After the event you'll get analytics to conduct more informed follow-up.

## **IN PERSON AND ONLINE ENGAGEMENT OPPORTUNITIES**

See the table of Sponsorship benefits on page 4 to choose the right combination of in person and online benefits such as an exhibit hall table, dedicated sponsor listing on the virtual conference website and event app with instant messaging and a meeting scheduler at the click of a button.

## **GROWING ATTENDANCE AT IN PERSON EVENTS**

Our last two annual conferences had strong support - 177 attendees in Tampa, FL (2022) and 120 attendees in Austin, TX (2023), and we anticipate 2024 conference to have upwards of 200 attendees.

We will continue to offer you year-round engagement opportunities for even more return on your investment. See the table of sponsorship packages on page 4 tailor-made to meet your company's goals. For additional notice, select one of the branded engagement experiences listed on page 6.

As always, VSA's staff members are here to ensure we provide you with the exposure you are looking for. There are many options listed here, but if you don't see the kind of package you're looking for, reach out to us and we'll create a custom package just for you. Branded sponsorship opportunities are available, while quantities last, so reach out to us at your earliest convenience once you've made your decision. **[Learn more at our Conference Registration site.](#)**
