

## Leaders Shape the Future. They Set the Tone.

They create a unified vision and follow through on execution. Leaders drive results and achieve goals. Leaders are needed at every level to face the obstacles of today and tomorrow.

The Leadership Challenge® gives everyone the tools—including the LPI®: Leadership Practices Inventory®—and practices to model the way, inspire a shared vision, challenge the process, enable others to act, and encourage those around them. The reward couldn't be greater.
